

Universal scaler
tip

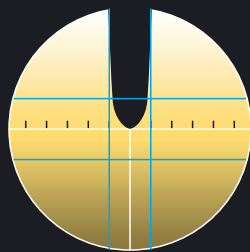

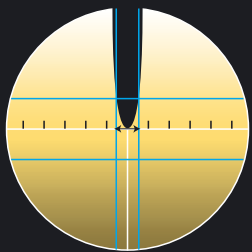

Visual wear
indicator

The Scorpion insert tip is coated with a 2µm thick and strong titanium nitride layer. To maintain efficiency and for patient comfort the insert has to be changed when the titanium coating has disappeared.

Very thin

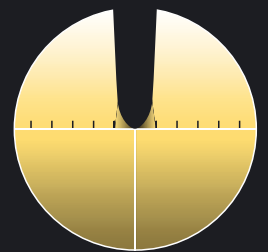

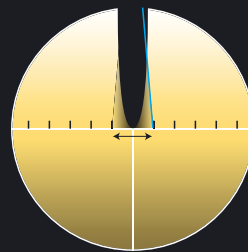

Very powerfull

Scorpion insert

Other insert

Scorpion reach inter-proximal space
without difficulty

Scorpion insert

Other insert

A strong cavitation is guaranteed
even with a low power scaling device.

Quality

ISO 9001 & ISO 13485
